From the DIRECTOR

As we move into 2026 the Genoa Chamber, together with our members, continues to strengthen connections between local businesses, residents, and visitors. We navigate change, address challenges, and find new opportunities to grow and adapt. Our success is built on collaboration.

Through shared ideas, community engagement, and a commitment to supporting one another, our members helped move Genoa forward in meaningful ways. Each event, initiative, and conversation contributed to a stronger, more connected business community. Thank you to our members for your continued collaboration, trust, and investment in the Chamber. We remain focused on building momentum, supporting our businesses, and creating opportunities that benefit the entire Genoa area. We appreciate you and look forward to what we will accomplish together.
